GENERAL INFORMATION

CEDARVILLE COLLEGE

History.—In 1879 the General Synod of the Reformed Presbyterian Church in North America passed unanimously a motion to establish a Liberal Arts College.

The charter for Cedarville College was obtained in 1837.

Cedarville College was opened for instruction, September 19, 1894.

In 1928 the General Synod by a unanimous motion gave all control, ownership, title, and vested rights of Cedarville College to the Board of Trustees of Cedarville College and their successors forever.

The Board of Trustees in accepting this responsibility obligated themselves and their successors to continue and maintain the purposes and principles in Cedarville College for which the college was founded. The Board of Trustees is composed of Presbyterians.

Thirty-Six Years Work.—There are four hundred and seventy graduates, four hundred fifty-five of whom are living.

They are distributed as follows:

To the Church—Fifty-seven ministers, fourteen missionaries, one hundred and eighteen Christian-Workers.

To Schools—Two hundred and twenty-four teachers in fourteen states. One hundred alumni in Ohio schools.

To State—Twelve graduates and students have held positions of trust in the state.

Twenty-five hundred students have come under the Christian influence of Cedarville College in thirty-seven years of service.

Everyone who has shared in this work has been blessed.

Purpose.—The purpose in founding and maintaining Cedarville College is to give a sound Christian liberal education in humanitarian and scientific matters to both sexes, at a reasonable cost and with the supreme ideal of guiding into the truth. Cedarville College stands for the cardinal principles of Christianity.

The Declaration of Cedarville College.—Cedarville College was established in faith and prayer. It stands today, as it always has stood, for genuine Christianity founded upon and agreeable to the Word of God. It was chartered by the lineal descendants of the Covenanters of Scotland. It is owned and controlled by a Board of Trustees who are Presbyterians.

1. Cedarville College teaches the existence of the one living and true God in three persons: Father, Son, and Holy Ghost.

2. That the Old and New Testaments are the Word of God and are the only infallible rule of faith and revelation of eternal salvation.

3. That Jesus Christ is the eternally begotten Son of God, born of the Virgin Mary, and is God-man, able to save unto the uttermost all who believe in him.

4. That man was created in the image of God, that he sinned and brought upon himself physical and spiritual death, that he is born in sin and at the age of accountability becomes responsible for sin in thought, word, and deed.

5. That Christ atoned for man's sins by his death, and man is justified only upon condition of acceptance of the blood atonement.

6. That all who accept Christ as their personal Savior are regenerated by the Holy Spirit and persevere in righteousness through the sanctifying power of the Holy Ghost until the end of their earthly life, when at the appearance of Christ they become like him in righteousness.

7. That Christ died, was buried, rose in his crucified body, ascended into Heaven, where he is our intercessor and priest; and that he will come in person in the last times and raise both the just and unjust from the dead and distribute their eternal rewards according to their works.

Trusting in God and the co-operation of true Christians in all churches who subscribe to the above tenets of faith, Cedarville College appeals for the support and patronage of all who believe in the basic truths of the Bible and the training of men and women for loyal, definite service for Christ's Crown and Kingdom.

Ownership and Control.—At the meeting of the General Synod of the Reformed Presbyterian Church in Coulterville, Illinois, in May 1928, the full ownership and control of Cedarville College was given into the hands of its Board of Trustees, a self-perpetuating corporation.

This Board of Trustees is composed for the most part of Presbyterians, U. S. A. The Board is solemnly pledged to perpetuate and maintain the distinctive doctrines and teachings of Evangelical Christianity. Cedarville College stands, as it always has stood, and will continue to stand, for the cardinal principles of Christianity.

Commendation.—The Presbyteries of Dayton, Columbus, Chillicothe and Portsmouth, of the Presbyterian Church, U. S. A., have unanimously commended Cedarville College to the consideration of parents who have children to educate and also to the generosity and liberality of the constituents of the respective presbyteries.

Location.—Cedarville College is located in Cedarville, Greene County, Ohio. The village of Cedarville is on the Pitts-

burgh, Columbus, Cincinnati, and St. Louis Railroad, one of the main lines of the Pennsylvania system. Good bus lines also run from Columbus, Dayton, Springfield, Cincinnati, Cleveland and all intermediate points to Cedarville. Cedarville is situated in the northern part of the far-famed Miami valley. It is the birthplace of the late ambassador Whitelaw Reid. It is noted for its fine public schools, good churches, sturdy citizens, and hospitable homes. An English editor wrote in a leading British newspaper that, "Cedarville is a Puritan oasis in America." It is a clean, safe and healthful place to get a college education.

Campus.—There are three plots to the campus of Cedarville College. The campus is beautifully shaded and attractive. It contains, besides the college buildings, a foot-ball field, a base-ball diamond, a hockey ground, and a tennis court. The trees of the campus were a gift from the late Whitelaw Reid. One part of the campus was a gift from W. J. Alford, Sr.

College Hall.—College Hall is the oldest building, erected in 1895. It contains recitation rooms, the chapel, the offices, the halls for the Y. W. and Y. M. C. A. and the heating plant for the buildings of the main campus.

Alford Memorial Gymnasium.—Alford Memorial Gymnasium was given to Cedarville College by W. J. Alford in memory of his father and mother, Dr. and Mrs. John Alford formerly of Beaver Falls, Pennsylvania.

It has a seating capacity of one thousand. It has a basketball floor, a kitchen fully furnished, a stage, dressing rooms, and a banquet hall.

Carnegie Library.—Carnegie Library was the gift of the late Honorable Andrew Carnegie. It has 10,000 volumes on its shelves. All the leading magazines and periodicals are on its reading tables. The library also contains the Refectory for the dining club and the Conservatory of Music, and a reception and literary hall.

Science Hall.—Science Hall was erected in 1922. It has the laboratories for Botany, Chemistry, Physics, and Zoology. The work of mechanical drawing is also carried on in Science Hall. The laboratories are well equipped for the sciences.

Girls' Dormitory.—A girls' dormitory to cost \$100,000 is in the plan for new buildings. It is hoped to have the funds for this building by 1934.

Chapel.—A chapel to cost \$150,000 is also included in the plan for new buildings. In addition to the chapel there will be annexes for offices for the various officers of the Faculty and administration. Each of these buildings is a challenge to men and women of means, who wish to invest their money in a cause

which will perpetually minister to the needs of a true Christian College and give glory to God.

Music Studio.—The music studio is on the main floor of the Carnegie Library for students in all subjects of music except pipe organ. The three churches of Cedarville offer their pipe organs to students in music for practice and lessons.

Refectory.—The students have their boarding hall in Carnegie Library. They have their own steward to purchase provisions and also a matron to prepare the provisions. By this method good boarding is secured at about \$4 a week.

Religious Advantages.—There are three churches in Cedarville: Methodist Episcopal, United Presbyterian, and First Presbyterian. Every member of the Faculty and every student in attendance this year is a professed Christian. All students are expected to attend the church designated by their parents, who are requested to send their written wishes as to which church their children shall attend. Students of all Christian denominations are welcomed.

Young Men's Christian Association.—The Young Men's Christian Association, of Cedarville College, was organized March 12, 1907. Like all similar societies, it extends the helping hand physically, intellectually, morally, and spiritually to all the young men, thereby aiming to develop the whole man in the truest and best sense.

Young Women's Christian Association.—The Young Women's Christian Association, of Cedarville College, was organized in 1909. It maintains all of those characteristic activities which have made this organization such a power for good among the college girls of America.

Chapel.—All students must attend chapel services which are held in the college chapel four times a week.

STUDENT ACTIVITIES

Business Meetings.—The student body has its own organization and officers. They hold business meetings once a week as a whole and as classes, cabinets, and various other organizations and committees.

Literary Societies.—The Philadelphian Society, organized in 1894, and the Philosophic in 1895, were both displaced by the Orange and Blue Club, organized in 1917. In the autumn of 1923, the former plan of two societies gained in favor and the Philadelphian and Philosophic Societies were revived. Fortnightly meetings, which are well supported, afford many opportunities for the development of literary, musical, and oratorical talent.

GENERAL INFORMATION

Dramatics.—Plays, minstrels, and recitals are given throughout the year by various classes and organizations. These afford a splendid opportunity for the development of the dramatic ability of the students.

The Cedrus.—An illustrated college annual, *The Cedrus*, published by the students, crystallizes the activities of the year into permanent literary and pictorial form.

Glee Club.—Cedarville College has a Glee Club under the direction of Mrs. Work, head of the Department of Music. It consists of twenty girls. The Glee Club represents the college in trips to high schools and churches. It provides excellent training in the development of the voice.

This club is open to all girls who can sing.

Quartettes.—The college has two quartettes, a male and a female. These quartettes are trained by the Director of the Department of Music. They visit high schools and churches in the interests of the college.

Mixed Chorus.—A mixed chorus of thirty-five voices is a new feature of the Music Department. It offers advantages both pleasurable and profitable.

CONTESTS AND PRIZES

John Alford Prizes.—These prizes, established by the Rev. John Alford, D. D., a distinguished minister of the Reformed Presbyterian Church, and a trustee of Cedarville College, are now continued in his memory by his daughter, Miss Martha Alford, and awarded annually through the Cedarville College Crown Club for the attainment of high scholarship.

Bible Reading Contests.—Miss Margaret Belle Rife, of the Class of 1916, annually offers prizes of seven, five, and three dollars for a girls' Bible reading contest held in April of each year. Rev. C. M. Ritchie, D. D., an honorary alumnus of the class of 1916, annually offers prizes of seven, five, and three dollars for a men's contest held in November of each year.

SOCIAL ACTIVITIES

Socials.—It is the annual custom for each young peoples' society of the local churches to give a welcome social to the faculty and students of the college at the opening of the year. The various classes hold socials and have spreads. The faculty gives socials to the students. The president of the college gives an annual social to the faculty and students. At the close of the year the juniors tender a banquet to the seniors and the faculty.

Home Coming.—Each year, on the first Saturday evening of February, the home team plays a basket-ball game with a visiting college team following a dinner in the Alford Memorial Gymnasium. At this affair gather faculty, friends, students, and alumni of the college.

Alumni Meeting.—On the afternoon of Commencement Day, it is the custom for the alumni to hold their annual business meeting and dinner in the Alford Memorial Gymnasium. To this come friends, former students, faculty, students, and alumni. All of these affairs afford splendid opportunities for the highest type of social gatherings.

Cedar Day.—On the first Friday of June, during Commencement week, is a gala time, or Cedar Day. The classes of the college give stunts, songs are sung, the May Pole is celebrated. An oration is delivered. Baseball is played with a team of some visiting college. Colors are unfurled. People gather by the thousands from far and near. It is the popular day of the year.

Commencement Day.—The crowning day of the year is the first Monday of June. The hour is 10:00 o'clock in the morning. The place is the Cedarville Opera House. A large concourse always greets the graduates to give them well wishes for the future.

Opening Day.—The opening day of the year is another attraction for the public as well as the students. The opening day this year is Wednesday, September 6, at 8:00 A. M. The exercises will consist of devotions, an address, good music, and the organization of the school for the year. All are welcome.

PUBLICATIONS

College Bulletin.—The College Bulletin is issued monthly from the College Office. In addition to the purely college matter, it contains alumni news and student news. Students, alumni, and friends can render a valuable service to the college by sending names and addresses of prospective students and also names and addresses of men and women of means who are willing to give to the support of a Christian college. Any sum will be gladly received, thankfully acknowledged, and wisely used.

ATHLETICS

Athletic Field.—The athletic field has a foot-ball grid-iron, a baseball diamond, a hockey ground, and a double tennis court. Basket-ball is played in the gymnasium.

GENERAL INFORMATION

Games.—The teams of Cedarville College play football, basket-ball, and baseball with teams of other colleges. Trips are taken throughout the seasons. Two physical directors, one for men and the other for women, have charge of all activities.

Physical Education.—Besides the field work mentioned in the above item on athletics, classes in coaching, hiking, gymnastics, and calisthenics are offered each semester. At least two years of physical education are required of candidates for degrees. All Freshmen and Sophomores are required to take physical education.

Income.—The annual income of Cedarville College comes from five sources, namely (1) the tuition fees from students, (2) interest from its productive endowment, (3) voluntary gifts from individuals, (4) contributions from congregations of the Reformed Presbyterian Church General Synod, and (5) from several congregations in the Presbyterian church, U. S. A.

Endowment.—The total amount of the productive Endowment of Cedarville College is \$242,000. To this should be added two funds of the Reformed Presbyterian Theological Seminary amounting to \$75,000 from whose income the college benefits annually. The two funds total the sum of \$317,000. Cedarville College is now seeking to add \$300,000 to the present endowment by June 1934, which is the fortieth anniversary of the college. Friends are urgently asked to contribute gifts in money, checks, real estate, annuities, stocks, bonds, and bequests. Large and small sums will be thankfully received, carefully invested, and only their annual income wisely used. Friends may be assured that their gifts will be safely invested.

CUSTODIAN OF ENDOWMENT

The Board of Trustees have elected and secured the **FIRST NATIONAL BANK OF CINCINNATI** as the **CUSTODIAN AND INVESTMENT TRUSTEE** of all of its Endowment securities.

MAINTENANCE FUND

In order to meet the current expenses of Cedarville College, a fund of \$5,000 over the income from the Endowment Fund must be raised for 1933-1934. Cedarville College depends upon friends and churches to contribute this amount. We appeal to every reader of this paragraph to give to Cedarville College what you can.

NEEDS OF CEDARVILLE COLLEGE

Cedarville College will need over and above its income for current expenses in 1933-1934:

1. \$300,000 additional endowment to meet the requirements of the various collegiate and university associations. We are trying to raise this amount on or before June 1934, the fortieth anniversary of Cedarville College.

2. A dormitory for girls \$100,000.

3. A combined administration building and chapel. This building will require an expenditure of \$150,000. Monies and gifts to a Christian College like Cedarville are an eternal investment for incalculable good.

4. \$5,000 for a Maintenance and Expansion Fund to enable it to meet current expenses and to secure additional endowment.

GENERAL INFORMATION

EXPENSES TO A STUDENT

Expenses at Cedarville are probably as low as can be found anywhere in the United States and are much lower than in many other places. Expenses for clothing, laundry and sundries vary greatly with the individual, who can, therefore, better estimate them for himself. College fees, boarding, room rent and cost of text-books vary with the locality. Consequently, the following estimates are based upon these items. In the years in which science courses are taken, from twelve to twenty dollars must be added for laboratory fees, and a deposit of five dollars for breakage in courses in chemistry.

EXPENSES FOR A YEAR

| | |
|------------------------------------|----------|
| Tuition | \$150.00 |
| Books (estimated) | 15.00 |
| Furnished Room, lighted and heated | 72.00 |

| Graduation fee in all courses | 5.00 |

In case of students compelled by sickness or other unavoidable

able circumstances to leave the college before the end of the Semester, rebates will be granted as follows on the tuition fee only: Before the end of two weeks, 80 per cent; before the end of four weeks, 60 per cent; before the end of six weeks, 40 per cent; after the sixth week no rebate will be made. No rebate will be made to students who are "dropped from the rolls."

The tuition fee for students entering the college late in the semester shall be \$5.00 a week.

Students carrying less than eight hours a semester shall pay \$5.00 a credit.

Special Opportunity.—Cedarville College by economy and sacrifice offers a college education of high type at the lowest possible cost. Students from a distance can meet all of their expenses from \$300 to \$400 a year or a little over \$8 a week. Students who are residents of Cedarville or nearby districts, towns and cities can meet all of their expenses at about \$175 a year. These expenses include tuition, board, furnished, heated and lighted room and books for students at a distance; and tuition and books for students who are residents of Cedarville or places nearby.

RULES AND REGULATIONS

A Book of Rules and Regulations has been adopted by the faculty and students for the good order of the school. This book covers attendance, absences, athletics, grading, recitations, lectures, chapel, honors, conduct, etc. It may be obtained on request.

Supervision of Women.—All non-resident girls are under the direct supervision of the Dean of Women and are responsible to her for their conduct.

Regulations governing conduct are formulated by the Dean of Women and the Students' Council, which is composed of two girls from the Senior Class, two from the Junior Class, one Sophomore and one Freshman.

Attendance.—1. All students are required to be punctual and regular in their attendance at chapel, recitations, and all other exercises of the College.

2. No excuses are granted for absences from any recitations, tests, or examinations. All students will be held responsible for any work missed on account of absence.

3. Students shall be allowed as many absences from any subject during a semester as the subject recites a week plus one without deduction as provided in rule 5.

4. Absences on the first and last regular recitation days of each semester, on the recitation days immediately preceding and following all holidays and vacations and on the day of Prayer for Colleges shall count double.

5. For each eighteen absences over the number allowed one credit shall be deducted from the total number obtained during the semester, and for any smaller number a proportionate deduction shall be made. The several amounts of credits deducted shall be added together and if the total amount comes to one or more whole credits, they shall be deducted from the number of credits obtained in one of the studies pursued during that semester. The registrar shall determine as to the study from which the credit shall be deducted but the student affected may request that the credit be deducted from some other study taken in the same semester. If the amount deducted does not come to a whole credit, the fraction shall be carried over until it amounts to a whole credit. All other fractions of deducted credits shall in like manner be carried over from semester to semester till they come to a whole credit.

6. Three tardy marks shall be counted as one absence.

7. At each faculty meeting each instructor shall report the number of times he was tardy or absent, or dismissed classes before the time for dismissal.

8. Students entering the college late in the semester may earn a total of not more than one credit for each week of their attendance. In such case the student shall pay a tuition fee of \$5.00 a week.

9. Absences from Chapel shall count the same as absences from classes. Professors appointed by the President of the College will keep a record of chapel absences.

Discontinuance of Studies.—1. No students shall be allowed to discontinue any study for which he has registered without permission of the President. In case a student discontinues a study without such permission he shall be given a grade of F in that study.

2. Permission to discontinue a study shall not be given merely because the student fears that he will fail or not make a good record in that study.

3. No permission to discontinue a study shall be given during the last four weeks of a semester unless for very serious reason.

4. Any professor or instructor may dismiss a student from class for unsatisfactory work or misdemeanor.

5. All students who are dismissed or discontinued from classes must be reported immediately by the professor in charge in writing to the Registrar.

6. All changes in classes in any way whatever must be reported to the Registrar immediately. If the student is not properly registered in the college office in each study he is carrying, he will receive no credit in such study or studies.

Seminary, 1912; Pastor Oakwood Presbyterian Church.

GRADING AND CREDITS

In all courses students are graded according to their scholarship by the use of the following symbols: A, denoting **excellent**; B, denoting **good**; C, denoting **fair**; D, denoting **passing**; and F, denoting **failed**. The comparative merit of tests, examinations and all other exercises, as well as the final standing of the student in any course, are indicated by the use of the same symbols. A equals 93-100; B equals 85-92; C equals 78-84; D equals 70-77.

Semester-Hour.—In all of the courses, credit is counted by the "semester-hour." A "credit" or "semester-hour" is one recitation, lecture, or laboratory period a week for one semester. A student completing the work required in fifteen such periods a week for one semester receives credit for fifteen semester-hours, and if such work is continued for a full year and satisfactorily completed, he receives credit for thirty semester-hours which is considered full work for one year. A semester is eighteen weeks or one-half of the academic or collegiate year of nine months.

Required Merit Points.—In every course in the collegiate department as many merit points are required for graduation as credits or semester-hours. For grade excellent, three points for each credit are awarded; for grade good, two points; for grade fair, one point; for grade passing, no points.

The maximum number of points that can be secured by a student graduating in a course which required, for example, 120 credits is 360; the minimum 120. It is evident that an average grade of fair is necessary for graduation. Students who by reason of grade of passing fall behind in the required number of points, are ineligible for graduation. By the use of points a student may readily determine the quality of progress he is making in his course.

Commencement Honors.—A student who wins eighty per cent of the maximum number of merit points obtainable in his course will be graduated **cum laude**, "with praise". one who wins ninety per cent of the maximum number obtainable in his course, will be graduated **magna cum laude**, "with great praise"; and one who wins the maximum number obtainable in his course, will be graduated **summa cum laude**, "with the highest praise." The maximum number of merit points obtainable in any course is three times the number of credits or semester-hours required for graduation in that course.

Honor Society.—In 1920 an honor society, called the Cedarville College Crown Club, was established, to which members are elected by the faculty on the basis of excellence in scholarship. (1) A Junior or Senior who for two semesters, not necessarily consecutive, has acquired a grade of A in all of his studies may be elected to membership in this society. (2) or

one who in four semesters has obtained not more than one grade of B for each semester, all other grades being A, may be elected to membership. (3) A student may be elected to membership upon graduation after a full four-year's course, provided he has no grade below B and three-fourths of his grades are A. (4) Students who have taken part of their college course in other institutions are eligible to the society by either of the first two standards given above, but not by the third. Upon election to this society the student is presented with a gold pin in the design of a crown similar to that in the seal of the College, and bearing the letters C. C. C. C.

The following are members of C. C. C. C.—

Elected in 1921, Alice McKibben, Josephine Randall, Thelma Deacon and Lucille Johnson.

In the above curriculum, the electives must include college requirements, majors and minors as specified for the Arts Curriculum.

A Major Study (a study selected by the student and including eighteen semester-hours of collegiate work in some subject of study ordinarily taught in secondary schools, for instance, English, Latin, Biology, or History). In order to major in any subject, the student must have the prerequisite high school units required by the Department of Education of the State of Ohio. The following are the number of units prerequisite to each study: English (public speaking, literature, rhetoric) 3; history (political science, civics) 2; social science (economics, sociology, ethics, philosophy, logic) 1; biological science (biology, zoology, botany, physiology, agriculture) 1; physical science (physics, chemistry) 2; earth science (geology, geography, physiography) 1; mathematics (algebra, geometry, trigonometry, astronomy, statistics, etc.) 2; French 2; German 2; Spanish 2; Greek 2; Latin 4. Five semester hours of collegiate credit in any subject may be offered in lieu of each unit of the high school prerequisite in that subject.

Two Minor Studies (including twelve semester-hours of collegiate work in subjects of study ordinarily taught in secondary schools). The same requirements as to prerequisite high school units apply to the minor studies as to the major study, as stated above. Required work, as well as elective may be counted toward the major and minor studies.

Elective studies in addition to those specified above to an amount sufficient to make a total of one hundred and twenty semester hours.

The completion of the above curriculum secures the A.B. degree from Cedarville College, and the Four-Year State Provisional Certificate.

MUSIC DEPARTMENT

MRS. MARGARET WORK, Director

Outline of Instruction.—Recognizing the greater benefits to be derived from clearly defined and thoroughly systematized study, the Cedarville College Department of Music presents the following outline of instruction. The system is arranged in three general divisions:

1. The Preparatory.
2. The Intermediate.
3. The Collegiate.

COURSES IN MUSIC

The Preparatory Department.—The Preparatory Department is divided into four grades and is open to all beginners. This division includes the Primary. Students may pass from one grade to another as rapidly as their advancement justifies. Students completing this course will have thorough foundation in technic, and must be able to play (as selected by the Director) Sonatinas from Czerny, Clementi, Bach, Handel, Mozart and Beethoven, with easy pieces by both classical and modern composers.

The Intermediate Department.—Technical development is continued, also phrasing and interpretation. Bach's works occupy an important place in this course. Students completing this course must be able to play a group of selections similar to the following: 1st, 4th, and 8th Two-Part Inventions by Bach, Sonata in G-Major by Mozart, some selected studies, Czerny's Velocity Studies, a work selected by the instructor. Also the student must appear in public recital, playing at least two pieces selected by the Director. Elementary Theory and Harmony shall be completed in the above classification of work. From this course students will be graduated with Teacher's Certificate.

Collegiate Pianoforte.—In this course a comprehensive and representative selection from the different periods of piano literature will be studied. Bach's works will have a prominent place in the course. While allowing great latitude to meet the needs of individuals, the course of Etudes will follow the line of the four Great C's in pianistic pedagogy—Czerny, Cramer, Clementi, and Chopin. For graduation from the course a student must be prepared to play:—

- (a) Three Preludes and Fugues from the Well Tempered Clavichord—Bach; (b) A representative work by Schumann or a later Sonata by Beethoven; (c) A Ballade or Scherzo by Chopin; (d) A work selected by the instructor.

Requirements for graduation and diploma.

| English Literature ----- | 6 hours |
| Physical Education ----- | 2 hours |

Two satisfactory recitals must be given in order to be an applicant for a diploma in music.

Voice.—Admission to this course will be based largely on vocal equipment and aptitude. Entrants must have studied public school music, or must have the equivalent of a two-year course in piano or other instrument.

Acquirement of good pedal technique, good taste in hymn playing, ready sight-reading and accompanying are insisted on. The time required for completion of this course depends upon the aptitude of the pupil. For graduation and diploma the student must give a public recital.

Chorus Class.—All college students are eligible to try out for the Mixed Chorus, which rehearses twice a week. This is excellent training in part singing, in expression, and in the interpretation of some of the great choral works.

The Girls Glee Club is open to all the girls of the college. This chorus rehearses twice a week.

A Male Quarett and a Female Quarett also rehearse twice a week. These quartettes sing at various functions throughout the year.

Through the courtesy of Don. R. Falkenberg of the New Testament League, Cedarville College has sent an organization to Columbus once a month to broadcast from station WAIU.

Note—Students' recitals will be held bi-monthly. Public recitals will be given at intervals during the year. The benefit that pupils derive from playing in these recitals is inestimable.

Stringed Instruments.—Students desiring to concentrate on Violin, Violincello or Viola must satisfy the examiners of a certain proficiency with the instrument of their choice.

The equivalent of a four-year course in Violin should prepare the student to perform a Bach Sonata; Concerto by Mendelssohn or Bruch; Concerto by Vieuxtemps or Wieniawsky and a work selected by the instructor.

The equivalent to the four-year course in Violincello would make possible the student's performance of a Bach Sonata,

Concerto by Davidoff or Saint-Saens, Concerto by Haydn or Schumann, and a work selected by the instructor.

Summary.—Violin, Viola, Violincello; Preparatory Piano; Theory and Composition; History and Literature of Music; Orchestra and Ensemble; Academic Subjects.

Classifications and Examinations.—As the students of this department may be of any scholastic standard it is only necessary that satisfactory credentials be shown by those who desire enrollment to elect work in any of the branches taught.

While the courses are of professional character in that they aim to give the student a sufficient rounded training to qualify for pursuit of musical activity as a career, they should also make strong appeal to the musically interested amateur as of great cultural value.

The courses of study have been outlined in such a way that regardless of the number of years the pupil has studied the degree of proficiency alone shall be the basis for recognition by the college in the granting of a diploma showing that a prescribed course has been satisfactorily completed by the student.

With all musical courses there shall be a systematic course in elementary theory and ear drill and a like course in Harmony as far as the dominant seventh chord completed.

The department of music is located in the College Library, which is but a short distance from the campus.

CEDARVILLE THEOLOGICAL SEMINARY

GENERAL INFORMATION

Location.—The Seminary is located in Cedarville, Greene County, Ohio, on the Pittsburgh, Cincinnati, Chicago, and St. Louis Railway, forty-seven miles southwest of Columbus, and seventy-three miles northeast of Cincinnati. It is eight miles northeast of Xenia, and twelve miles south of Springfield.

Relations With Cedarville College.—The Seminary is in close affiliation with the College which gives the students of the Seminary special opportunities. All of the courses and facilities of the college are open to them.

Buildings.—All of the College buildings, College Hall, Carnegie Library, Science Hall, and Alford Gymnasium, are used by the Seminary.

Library Facilities.—Students have access to four libraries—that of the Seminary itself, of Cedarville College, of Cedarville Township, and the State Department. These are housed in the Carnegie Library and in Science Hall.

Admission.—Students for the ministry from all Christian denominations are welcomed. Applicants for admission should come certified as students for the ministry by the proper ecclesiastical authorities, or presenting certificates of good moral character from responsible persons. High school and college diplomas or certificates showing the work done in preparation for the Seminary course should also be presented.

The scholastic requirement for admission to the seminary is graduation from a high school of the first grade or preparatory work equivalent thereto. Students lacking in these entrance requirements may complete all required courses of study under the direction of members of the college faculty, when they may be entered in the theological seminary. It is earnestly recommended that all students for the seminary complete a collegiate course before entering the seminary, or before entering upon the active work of the ministry.

The Seminary Year.—The Seminary year is coterminous with the College year. It therefore begins its annual session

the second week in September and closes the third Friday in May. The examinations are held about the middle of May.

Religious Exercises.—Students are expected to be regular in their attendance at daily chapel exercises, to become members of the Y. M. C. A., and to attend all other religious services of the College and Seminary. The day of prayer for educational institutions is observed on the first Friday of February. Class exercises are opened with prayer by the instructor in charge, and closed with prayer by one of the students.

Fees.—There are no fees for matriculation or tuition in the regular seminary course, but the fee of five dollars is charged for the diploma of graduation. Students for the ministry under the care of presbyteries in the General Synod of the Reformed Presbyterian Church are also exempt from tuition fees in the College, but must pay a contingent fee of fifteen dollars per semester.

Expenses.—The cost of living is very low. It is the same as for students in the College.

Student Aid.—Students needing financial assistance can obtain the same from the Lamb Fund, upon recommendation of the proper authorities, by complying with the conditions stipulated in the donation of that fund.

ALUMNI ASSOCIATION

The Alumni Association was organized with the first graduating class in 1897. It has functioned ever since. It has increased in numbers and in usefulness to the college.

During this last year a number have contributed to the Maintenance and Expansion Fund of the college in sums ranging from five dollars up to one hundred.

We shall need not only their help but the help of the other members of the alumni during the coming year in order to raise a Maintenance and Expansion Fund of ten thousand dollars to help meet the current expenses and to keep workers in the field for the permanent productive endowment fund.

The Alumni Association, in the near future, will organize centers in different localities in order to deepen the interest of its graduates and former students in the college. The next meeting of the Alumni Association will be at 12:30 P. M., Monday, June 5 in the Alford Memorial Gymnasium.

HOW TO HELP CEDARVILLE COLLEGE

From time to time our friends are asking and seeking ways in which they may render the greatest service to Cedarville College. They realize the good work which Cedarville College is accomplishing and they desire not only to continue but to enlarge the sphere of Cedarville College. Allow us to propose the following ways to help Cedarville College:

First: BUY ANNUITIES

Cedarville College offers a Life Annuity Income Bond Plan. This gives an income for life, provides sure and safe investments, and makes the donor a sharer in the work of Christian education throughout his life and always thereafter and free from all worry about his holdings.

You can get an annuity bond by the investment of a sum of money with the Board of Trustees of Cedarville College and in return Cedarville College guarantees to pay you an income for life. The interest rates run from $4\frac{1}{2}\%$ at forty years of age up to 9% at eighty-five years of age. This life annuity bond is a legal contract signed by the officers of the Board of Trustees of Cedarville College. The interest on this bond is paid twice yearly during the life of the donor.

If you are interested, send for full particulars.

Second: BEQUESTS—For Personal Property:

Cedarville College has been largely aided by its friends leaving personal property or real estate or both in their wills to the college. Any one who desires to make a will in favor of the college should write that part of his will as follows:

"I do give, devise and bequeath to the Board of Trustees of

Cedarville College the sum of-----dollars,

(or-----shares of stock in the-----,

or bonds, as the case may be, setting forth particularly what it is that is bequeathed)."

For Real Estate:

"I do give, devise and bequeath to the Board of Trustees of Cedarville College and its successors, forever, all that lot or piece of land (describing the property with care)." Special care should be taken that bequests be made according to the laws of the state governing them.

Third: OTHER WAYS TO HELP

a. By giving to the Maintenance and Expansion Fund. It will be necessary this year to raise ten thousand dollars in order to meet the current expenses of the college in the way of up-keep, fuel, light, gas, water bills, salaries, and to keep workers in the field who are seeking funds for the permanent endowment of Cedarville College. Any sum from five dollars up will be gladly accepted for the Maintenance and Expansion Fund.

b. **ENDOWMENT.**—Cedarville College is endeavoring to raise an additional three hundred thousand dollars for its permanent endowment fund. The time set to raise this is the fortieth anniversary of the college, which comes in June, 1934. Any sum of money or piece of property or bond or stock will be gladly received and put into this fund.

c. **LIBRARY.**—Cedarville College needs appropriations of money and of books for its library. We shall be glad to correspond with any one who is inclined to give either or both for library purposes.

For full particulars in regard to all these ways of helping Cedarville College, address W. R. McChesney, President, Cedarville, Ohio.
